Sub :- Rehabilitation of persons to be displaced by Hidkal Dam Project-Release of Forest Land.

Ref :- This office letter No.DDB.HDP.RHN. dated 8-8-1963.

Sir,

The District Forest Officer, Belgaum Division, Belgaum had furnished a further list of Forest land measuring A.-1995 - G.-24 in Khanapur Range for the purpose of rehabilitation of persons to be displaced on account of the construction of Hidkal Dam. The lands proposed by the Divisional Forest Officer, Belgaum Dn., Belgaum were inspected by the Special Land Acquisition Officer, Hidkal Colony along with the representatives of Hidkal and Hospet villages in company with the local Forest Officials on 24th and 25th October, 1963. The representatives after due inspection have approved only an area of A. 859 - G.07 as shown in the statement furnished by the Special Land Acquisition Officer, Hidkal and the remaining area of A.1136 - G.17 being unfit for cultivation, has been rejected by the -- representatives.

Government have already released the area of A.1925 - G.06 under their order No.AFD.7.FAF.62. dated 25/26-9-63. The Special Land Acquisition Officer, Hidkal Colony has reported that if the extent of land now proposed i.e. A.859 - G.07 is released, the total land available for the purpose of rehabilitation would come to A.2784 - G.13 excluding the area of 50 acres -- recently proposed for goathana to the villagers of Hidkal in coupe No. 13 of Kadabagatti under this office letter No. even dated 28-10-63 and it is reported by the Special Land Acquisition Officer, Hidkal that this area would be sufficient for rehabilitation of the two villages Viz., 1) Hidkal and Hospet. A copy of the report No.HDP.RHN. dated 31-10-63 together with a -- copy of the statement showing the areas proposed to be released, received from the Special Land Acquisition Officer, Hidkal Colony is enclosed.

Government may kindly be moved to accord sanction to the release of the aforesaid area for the purpose of rehabilitation of the persons to be displaced on account of the construction of the Hidkal Dam Project. The proposals in respect of the remaining land will be submitted to Government in due course.

Yours faithfully,

The D.F.O.,Belgaum Dn had furnished a further list covering A.1995-24 Gs., of forest lands in Khanapur Range. All these lands were shown to the representatives of Hidkal and Hospet villages in the company of local forest officials on 24th and 25th October 1963. The representatives after inspection have approved only area of A.859-07 Gs. as shown in the enclosed statement*, as fit for cultivation. They have rejected an area of about 538 Acres. Comprised in Gunji, Nandihalli and Nerse villages being unfit for cultivation as the same was hilly. They have also not approved the lands in Jalge, Kavandal, Karambal and Karalge amounting about 598 Acres as the soil was not suitable for cultivation.

Government had agreed to the release of 4000 acres of forest lands for the rehabilitation of expropriated ryots of Hidkal and Hospet villages and they have already released A.1925-Gs.06 under this No.AFD.7. FAF.1962 dated 25/26-9-1963. If the extent of land now proposed Viz., A.459 Gs.07 released, the total lands available for rehabilitation would come to A.2784-Gs.13 excluding the area of 50 acres recently proposed for gaothana to the villagers of Hidkal in coupe 13 of Kadabagatti and this area would be sufficient for rehabili-tation of the two villages as the lands would be granted to the displaced persons according to the rules. It is therefore, requested to kindly move Government through the Divisional Commissioner, Belgaum to the further release of A.859 Gs.07 of forest lands in Khanapur Range as detailed in the enclosed statement.

Sketches showing the lands proposed to be released are enclosed."
